NARRATIVE:

Coleman is a registered sex offender who has a criminal history that began at the age of 19 years old and includes arrest and convictions for child molestation, theft by taking, criminal damage to property, possession of controlled substance, robbery, burglary, and for failing to register to as a sex offender. He has served multiple prior state prison terms, the longest a 32-month term for possession of narcotic substance. He was released most recently from state prison to the supervision of the Los Angeles County Probation Department on March 30th, 2013. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in June 2013 after Coleman absconded from post release community supervision (PRCS). Coleman qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for possession of controlled substance is defined as non-serious and non-violent under the California penal code. His prior criminal history, his status as a sex offender, and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
